- recover debts,
- prevent and detect fraud, and
- update their own records about me or the Business.

You may also use these details for research and statistical analysis with the aim of improving your services

- provide these details to the Business' auditors
- provide these details to your solicitors or agents acting on your behalf
- provide these details for any of the purposes outlined in the paragraph relating to confidentiality below.

You may administer Business' accounts and provide other services from centres in countries outside the European Economic Area (EEA) (such as India and the USA) that do not always have the same standard of data protection laws as the UK.

You will treat all such Business details as private and confidential (even when the Business is no longer a customer).

You will not reveal details about the Business to anyone, outside the Lloyds Banking Group, other than in the following exceptional cases:

- If you are required to give details for legal reasons.
- If there is a duty to the public to reveal the details.
- If your interests require you to give details, for example, where you suspect fraud.

The Business may also be subjected to searches at fraud prevention and credit reference agencies for creditworthiness.

You and other organisations may use credit reference and fraud prevention agencies' records about me, people financially linked to me and the Business to help make decisions about me and them:

- for credit and credit related services,
- for motor, household, credit, life and other insurance proposals or insurance claims, and
- for fraud prevention, debtor tracing, debt recovery, and to check my identity to prevent money laundering.

These searches may be recorded by the agencies concerned.

You may check any details I have given you and share information with credit reference or fraud prevention agencies. I understand that it is important that I give you accurate information as if I give false or inaccurate data and you suspect fraud, you may record this at the fraud prevention agencies.

I agree that you may also disclose details of how the Business has run its account(s) to the credit reference or fraud prevention agencies.

In the event that you make formal demand for repayment of any borrowing and the amount is not in dispute, and the Business does not make full repayment or satisfactory proposals to you within 28 days, you may disclose this to the credit reference agencies, who will record the outstanding debt against the business.

This information could affect credit decisions other organisations make. No other information about the Business will be disclosed unless the Business have given you permission to do so.

The Data Protection Act 1998 does not generally apply to companies, but does apply to the personal data of individuals. What follows applies to your personal data and other information we may hold about you.

Your personal data and other information we may hold about you will be shared within Lloyds Banking Group to enable us to better understand your needs, run your accounts and provide products in the efficient way you expect. We will also share your data with the Introducer Bank as they may require this for future discussions with you.

When we receive an application from a business we may obtain information about the company, their directors or partners and any guarantors from credit reference agencies and Group records to check your credit status. The credit reference agency enquiries may be seen by other companies making their own enquiries and may affect your ability to obtain credit elsewhere in the future. We may also use credit scoring.

If this is a joint application you are giving us permission to search and record information, and create a link between your financial records at credit reference agencies which will remain until you successfully apply for a "notice of disassociation" at these agencies.

We may ask you to provide physical forms of identity verification or search the files of credit reference agencies which will keep a record of our search, whether or not your application proceeds. This is not seen or used by lenders to assess your ability to obtain credit.

Lloyds Banking Group companies may use your information to contact you by mail, telephone, e-mail or text message about products and services that may be of interest to you. If you do not wish to receive this information let us know by using any convenient means (e.g. by e-mail or when visiting a branch).

- 3.8.5 inform us as soon as possible if you do not receive a Statement, or a Cardholder does not receive a Cardholder Statement, or any other financial information that you or a Cardholder is expecting to receive from us; and
- 3.8.6 ensure that the PIN is protected by memorising it and destroying the written notification of the PIN as soon as possible after receiving it.

- 3.9 If any Cardholder leaves your employment and/or ceases to be your employee, contractor or agent, or on the death of a Cardholder:

- 3.9.1 you must inform us (on the form that we will provide) within seven Business Days of this happening;
- 3.9.2 your obligations under the Agreement will continue in full force;
- 3.9.3 you will endeavour to recover the relevant Cardholder's Card and return it (cut into two through the chip) to us; and
- 3.9.4 you will remain liable to us for all Card Transactions including any new Card Transactions made before the Card is returned.

- 3.10 Each Card may only be used up to the relevant Cardholder Limit. In deciding whether or not this has been exceeded, we will take into consideration the amount of any Card Transactions not yet debited and any Authorisations we have given in respect of prospective Card Transactions

- 3.11 All Non-sterling Card Transactions will be converted to the currency of the Cardholder Account and debited to the Cardholder Account (or Business Account or Diversion Account, where relevant). All Non-sterling Card Transactions will be converted to the Cardholder Account currency at the Payment Scheme Exchange Rate which is applicable on the day the Card Transaction is debited to the Cardholder Account (or Business Account or Diversion Account, where relevant) which may be after the day the Card Transaction is carried out. The Non-sterling Card Transaction fee of 2.75% (which may be amended from time to time in accordance with clause 14.1) is added to the converted Cardholder Account currency amount and this fee and the converted Cardholder Account currency amount will be shown on the Statement and any relevant Cardholder Statement.

- 3.12 You undertake to ensure that no Card is used in a manner prohibited by law and, in the case of a Business which is a body corporate, the provisions of Part 10 Section 197 of the Companies Act 2006.
- 3.13 You (via a Programme Administrator) may from time to time apply for Cards to be issued to new Cardholders, or terminate the authority of any Cardholder to use their Card on forms provided by us for these purposes. Termination of a Cardholder's authority will only be effective if accompanied by the relevant Card cut into two through the chip. However, we and/or the Introducer Bank will make reasonable efforts to terminate a Cardholder's authority before the previous requirements have been met where it is believed that the Cardholder may have made or may make unauthorised use of their Card.
- 3.14 In the event no other Programme Administrator is appointed or available a Programme Administrator may apply for and authorise their own Card on one occasion without further authority.
- 3.15 If you require an increase or decrease in your Scheme Limit at any time, you must contact the Introducer Bank or us. You agree that the Introducer Bank may increase or decrease your Scheme Limit, if it considers it to be appropriate (in its absolute discretion), by contacting us to request this change. You acknowledge that we will not be liable for any refusal by the Introducer Bank to increase your Scheme Limit and that we will not be obliged to honour any Scheme Limit specified to you by the Introducer Bank to the extent that such Scheme Limit exceeds the Programme spending limit which we have granted to the Introducer Bank.
- 3.16 If you wish to change a Cardholder Limit, you must contact the Introducer Bank or us. You agree that the Introducer Bank may, subject to clause 3.17, increase or decrease such Cardholder Limit, if it considers it to be appropriate (in its absolute discretion), by contacting us to request this change. You acknowledge that we will not be liable for any refusal by the Introducer Bank to increase a Cardholder Limit and that we will not be obliged to honour any Cardholder Limit agreed with you by the Introducer Bank to the extent that such Cardholder Limit exceeds the Scheme Limit. You are responsible for advising the relevant Cardholder of any change in Cardholder Limit.
- 3.17 A Cardholder Limit cannot be increased by you if it would result in the Cardholder Limit exceeding the Scheme Limit.
- 3.18 The Business will ensure that the Card, Card Number or PIN must not be used for any illegal purpose or outside the period shown on the Card or if we have cancelled or put a stop on the Card.
- 3.19 Each Cardholder will be separately issued with a PIN to use on the relevant Cardholder Account which will allow them to authorise payments at Suppliers, use PIN Management Services at ATMs and make cash withdrawals from ATMs or at branch counters (where this facility has been allowed by you). This is a security measure designed to protect unauthorised access to each Cardholder Account. The PIN will only be known by the respective Cardholder and the PIN will not have been revealed by us to anyone else or be known by any member of our staff. When each Cardholder receives their PIN they can change it and select one of their own choosing through any of our ATMs. As a fraud prevention measure, we restrict use of some numbers as PINs which are easily guessed.
- 3.20 We may from time to time issue Cardholders with additional security codes or require them to comply with additional security measures for the Authorisation of payments made via Suppliers' websites. Where we do so, we will send details either to the Programme Administrator for distribution or directly to Cardholders, together with any applicable additional terms and conditions. You will ensure that each Cardholder uses any additional security codes or complies with any additional security measures issued or required by us under this clause in accordance with any applicable additional terms and conditions.
- 3.21 We will treat a payment instruction requesting that we execute a payment to have been received by us at the time that it is actually received by us, unless we are instructed to carry out a Card Transaction on a future date or a series of recurring Card Transactions on future dates.
- 3.22 If we are instructed to carry out a Card Transaction on a future date or a series of recurring Card Transactions on future dates, we will treat the date that we are required to carry out the Card Transaction as the date that we receive the payment instruction (this is known as the date of deemed receipt).
- 3.23 If we receive (or are deemed to receive) any payment instruction after the cut-off time on any Business Day or on a day which is not a Business Day, we will treat that payment instruction to have been received by us on the next Business Day. You can find our payment cut-off times on our Website.
- 3.24 A Card Transaction will be regarded as authorised by both the Business and a Cardholder where a Cardholder authorises a Card Transaction by following the instructions provided by the Supplier to authorise the Card Transaction, which includes:
- 3.24.1 entering a PIN or providing any other security code;
- 3.24.2 providing the CVV code to a Supplier;
- 3.24.3 signing a sales voucher;
- 3.24.4 waving or swiping a Card over a card reader;
- 3.24.5 inserting a Card and entering the relevant PIN to request a cash withdrawal at an ATM; or
- 3.24.6 making a request for a cash withdrawal at any bank counter (where this facility has been allowed by the Business).
- 3.25 Once a Card Transaction is regarded as authorised by the Business and a Cardholder in accordance with clause 3.24, such authorisation can only be withdrawn where we have been instructed to:
- 3.25.1 carry out a Card Transaction on a future date; or
- 3.25.2 carry out a series of recurring Card Transactions,
- in which case, a Card Transaction can be cancelled by the Business or the Cardholder telling the Supplier, the other party that the Cardholder has made the arrangement with or us, provided that the Business or the Cardholder gives notice no later than the end of the Business Day on the day before the relevant Card Transactions is due to be made.
- 3.26 If you and/or the Cardholder withdraws authorisation in relation to a series of recurring Card Transactions, we will treat this as you and/or the Cardholder withdrawing authorisation for all future Card Transactions in the series, unless you and/or the Cardholder notifies us otherwise.
- 3.27 Once the Business or the Cardholder has notified us that they withdraw authorisation for a Card Transaction, we will not carry out the relevant Card Transaction(s). However, it is your responsibility to notify anyone who was expecting to receive such payment(s) and we will not be responsible for any loss or damage that you may suffer if you fail to do so.
- 3.28 We may ask for clarification of which Card Transaction the Business or the Cardholder is stopping and/or, if appropriate, request written confirmation that authorisation for a recurring transaction arrangement has been withdrawn. We will treat any future Card Transactions made pursuant to that arrangement as unauthorised. You and/or the relevant Cardholder will also need to tell anyone to whom regular payments are made if your account is closed or a Card Number changes as otherwise they may not be able to collect the relevant payments. If a payment is missed for this reason, we are not liable to you or any Cardholder for any loss or damage you or that Cardholder suffer as a result.
- 3.29 A Supplier may contact the Bank or an agent acting for the Bank for Authorisation in respect of a Card Transaction that a Cardholder wants to make. Therefore there may be a delay before the Supplier processes a Card Transaction, and the Cardholder might not always be able to make a Card Transaction straight away, or at all.
- 3.30 If Authorisation for a Card Transaction is given, that Card Transaction will immediately reduce the total amount that can be drawn within the relevant Cardholder Limit and the Scheme Limit.
- 3.31 The Authorisation of a Card Transaction referred to in clause 3.29 can include authorising any single Card Transaction, a series of recurring Card Transactions or pre-authorising a future Card Transaction of a certain or uncertain amount.
- 3.32 We will act on payment instructions requesting that we execute a payment so that the amount to be transferred from the relevant Cardholder Account, the Business Account or the Diversion Account (as applicable) reaches the beneficiary's bank or other financial institution no later than:
- 3.32.1 for payments in sterling to be made to a financial institution in the UK, the end of the next Business Day following receipt or deemed receipt of the instructions;
- 3.32.2 for payments in euro to be made to a financial institution in the EEA, the end of the next Business Day following receipt or deemed receipt of the instructions; and
- 3.32.3 for payments in EEA currencies other than euro to be made to a financial institution in the EEA (but not including payments in sterling to be made to a financial institution in the UK), the end of the fourth Business Day following receipt or deemed receipt of the instructions.
- 3.33 For payments to be made to a financial institution outside of the EEA or for payments in currencies other than EEA currencies, you agree that the timescales set out in clause 3.32 do not apply to such payments. Please contact your Lloyds Bank Relationship Manager for details of how long it will take for the payment to be processed.
- 3.34 The Bank has the right to decline to process or delay processing any Card Transaction, and the Bank will not have any responsibility to you for any loss or damage that you may suffer as a result, if:
- 3.34.1 you are in breach of the Agreement;
- 3.34.2 the Card Transaction would exceed the relevant Cardholder Limit or the Scheme Limit;
- 3.34.3 the terms of the account held by the beneficiary of the payment prevent completion of the Card Transaction;
- 3.34.4 the Card Transaction seems unusual when considering the way that the relevant Cardholder Account is normally used or we reasonably believe a Card Transaction may be fraudulent;
- 3.34.5 by processing the Card Transaction, we would infringe any law, regulation or the rules of the payment system under which the Business Account is issued or any industry good practice;
- 3.34.6 not acting on the instruction to process the Card Transaction or delaying to act on the instruction would assist us with complying with applicable money laundering laws or regulations;

- 3.34.7 we consider that the instruction to process the Card Transaction is inaccurate or requires further explanation;
- 3.34.8 by acting upon the instruction to process the Card Transaction, it would breach the Agreement or any operating limits relating to the Agreement;
- 3.34.9 the payment instructions relate to a country from or to which we may decide not to process payments (for example, a country in relation to which sanctions are in place);
- 3.34.10 despite all efforts, we are unable to make the payment within the timescales specified in clause 3.32; and/or
- 3.34.11 any of the circumstances in clause 12 occur.
- 3.35 If we have declined to process a Card Transaction, we will provide and/or make available to you on request details of the reason(s) for the refusal as soon as is practicable and at the latest within the timescales set out in clause 3.32, unless the law prevents us from doing so or it would undermine our security measures. We will also include details of how to correct any errors which led to our refusal, if appropriate. To request this information, please contact our customer services centre by telephone on 0800 096 4496 (if abroad +44 1908 544059).

- 4.8 You will access OCMS at your own cost through your own service provider using your own equipment and will at all times be responsible for ensuring that you are compatible with the relevant requirements for access to and use of OCMS. - #### 5 Statements and Repayment
- 5.1 If there have been any Card Transactions or Charges in any Billing Cycle on the Cardholder Account, Diversion Account or Business Account, we will prepare a Statement and provide it or make it available to you.

- 5.2 You agree that the following information may be provided in the Statements that we provide or make available to you in a Billing Cycle. If your Billing Cycle is greater than monthly, in relation to any Card Transaction you can request and we will provide to you the following information by post, by e-mail or by other agreed manner and there may be a charge associated with this service where this information is requested more than once a month:
- 5.2.1 a reference enabling you to identify the Card Transaction;
 - 5.2.2 where appropriate, information that we have received relating to the beneficiary of the payment;
 - 5.2.3 the amount of the Card Transaction in the currency in which the relevant account was debited or in the currency used for the payment order;
 - 5.2.4 the amount of any charges for the Card Transaction and, where applicable, a breakdown of those charges, and/or any interest payable by you;
 - 5.2.5 where applicable, the exchange rate used in relation to the Card Transaction and the amount of the Card Transaction after the currency conversion; and
 - 5.2.6 the debit value date or the date of receipt of the Card Transaction.
- 5.3 A Statement will constitute a proper demand for payment. Irrespective of whether you have chosen the Individual Pay Facility, you (and not the Cardholder) are liable to make payment of the full amount outstanding on each Statement from the Payment Account.
- 5.4 You shall nominate one of your accounts held with us or any other bank at which you hold an account in the United Kingdom acceptable to us, as the Payment Account on the form provided by us at the time of entering into the Agreement.
- 5.5 For Card Transactions that are being settled using the Company Pay Facility, payment must be made no sooner than 14 and no later than 30 days from the date of the Statement. We will debit the amount of all Card Transactions to the appropriate Payment Account. You will be liable to pay us all amounts so debited and all Charges at the times set out in the Agreement.
- 5.6 For Card Transactions being settled using the Individual Pay Facility, where a Cardholder has not made payment, payment will take place as specified in clause 6.2.
- 5.7 For Card Transactions being settled using the Individual Pay Facility:
- 5.7.1 the Cardholder will nominate an account held at a bank in the United Kingdom acceptable to us as the Payment Account on the Cardholder Application form provided by us; and
 - 5.7.2 if there have been any Card Transactions or Charges in any Billing Cycle on a Cardholder Account, we will prepare a Cardholder Statement and provide it or make it available to the relevant Cardholder and the Business. No Cardholder shall be under any obligation to make payment of any amount outstanding on any Cardholder Statement but if any Cardholder does choose to make any such payment, the Cardholder may pay by Direct Debit from that Cardholder's Payment Account.
- 5.8 We recommend that you check your Statement, and each Cardholder checks their Cardholder Statement, regularly. If there is an entry which seems to be wrong, you should tell us in accordance with clause 11.2. Delay in notification may make correcting the error difficult. If we need to investigate a Card Transaction on any account you agree to co-operate with us and the police, if we need to involve them.
- 5.9 In addition to your other payment obligations you must repay us the amount of any excess over the Scheme Limit, any arrears and any Card Transactions made in breach of the Agreement, on demand.
- 5.10 All payments will only take effect when debited to the Payment Account and may be applied against Card Transactions and Charges in such order as we may decide from time to time.
- 5.11 Payments reduce balances on the Business Account, Diversion Account (where relevant) and/or each Cardholder Account in the following order: annual Card fee; late payment fee; Card Transaction fee; cash advance fee; ATM cash advance fee; old balances; new balances.
- 5.12 Notwithstanding any of the terms or provisions of the Agreement, the whole of the outstanding balance due to us shown on the Business Account under the terms of the Agreement will become immediately due and payable by you without demand or notice from us and/or the Introducer Bank if:
- 5.12.1 the Business is in breach of any of the provisions or undertakings of the Agreement; or
 - 5.12.2 the Business is Insolvent.
- 5.13 If you become aware that any of the circumstances set out in clause 5.12 have occurred, or if you believe that they will occur, you must notify us immediately.
- 5.14 If payment is by Direct Debit, no sooner than 14 and no later than 30 calendar days after the date of any Cardholder Statement (or the Statement where relevant), we will present to the relevant Cardholder's bank (or your bank where relevant) a request for payment from the nominated Cardholder's or your Payment Account by Direct Debit for all sums shown as due on the relevant Cardholder Statement (or Statement where relevant). Where Card Transactions are being settled using the Individual Pay Facility and the Cardholder has not made payment, we will present to your bank at any time after the due date for payment, a request for payment from your Payment Account by Direct Debit of all sums shown as due in the relevant Cardholder Statement which remain unpaid.
- 5.15 You will ensure that sums demanded under clause 5.14 are paid to us on first presentation of the Direct Debit. For the avoidance of doubt as between you and us, you will be liable for all such payments.
- ## 6 Business's Liability for Cardholders
- 6.1 Subject to clause 18, you will be liable for any direct or indirect loss incurred by any member of Lloyds Banking Group resulting from use of any Card(s) including if a Cardholder or former Cardholder fails to observe the Conditions of Use or any additional terms and conditions applicable to an additional security code or measure issued or required by us under clause 3.20, or acts improperly or unlawfully in relation to a Card or a Card Transaction, and any such loss will be debited by us to the Business Account.
- 6.2 If a Cardholder or former Cardholder with an Individual Pay Facility has not paid the sum (or any part thereof) shown on the relevant Cardholder Statement by the due date for payment, you shall, forthwith upon receipt of demand by us, pay that sum to us.
- ## 7 Requirements for the Card Services
- The Services will only be available to a business which is using the Services in the course of its business and to whom the provisions applicable to 'regulated agreements' under the Consumer Credit Act 1974 do not apply, except where a lower limit is agreed in writing between the Bank and the Business.
- ## 8 Charges
- 8.1 We will specify the relevant Charges. For further details of the Charges please refer to the Website or the Lloyds Bank Relationship Manager. Any Charges will be debited to the Business Account or a Cardholder Account as relevant.
- 8.2 We reserve the right to introduce new charges, amend our Charges and/or amend any volume rebate agreed with you at any time. If we do so, we will provide you with two months' advance written notice in the same way as we provide notice of any other changes to these terms and conditions (and clause 14 will apply).
- ## 9 Non-payment/arrears
- 9.1 You will pay Charges on any sum that you and/or any Cardholder does not pay within the times specified in the Agreement. We will provide details of the Charges to you before execution of the Agreement.
- 9.2 Where Card Transactions are being settled using an Individual Pay Facility, a fee in respect of any sum that any Cardholder does not pay within the time specified in clause 5.14 may be payable. Where Card Transactions are being settled using the Company Pay Facility, a fee in respect of any sum that you do not pay within the time specified in clause 5.5 will be payable. Details of the Charges can be found on the Website, or are as otherwise notified to you in writing from time to time in accordance with the Agreement.
- 9.3 We may also charge you a sum to cover our reasonable costs incurred in collecting any sum not paid on time or resulting from any other breach of the Agreement or the Conditions of Use.
- 9.4 We want your business to be successful. However, there may be times when you need extra support. You should let us know by contacting your Introducer Bank or us as soon as possible if you are experiencing financial difficulties. We will always try to help you and try to develop a plan with you to deal with the difficulties.
- ## 10 Lost or Stolen Cards
- 10.1 If any Card is lost or stolen, or its PIN becomes known to any other person, or any Card or PIN are for any reason liable to misuse, you or the relevant Cardholder must notify us without undue delay by telephone on 0800 096 4496 (if abroad, +44 1908 544059). We may ask for written confirmation within seven days. Please always give the account number of the relevant Card in such written confirmation. If a Card is subsequently found, it must not be used and must be returned to us cut into two through the chip.
- 10.2 You will, and will ensure that the relevant Cardholder will, assist us or our agents in the investigation of the loss, theft or possible misuse of a Card or the disclosure of the PIN, and will assist us to recover that Card. You consent to the disclosure of any relevant information concerning the relevant Cardholder Account in connection with such matters. We may pass on related information to other banks, to those involved in processing card payments, or to the police or other authorities, in the United Kingdom or (if appropriate) abroad.
- 10.3 All Cards are and remain our property at all times. If we have stopped the use of a Card in accordance with clause 13, you are responsible for recovering, destroying and returning all Cards issued to Cardholders if we or our agents so request. The Cards must be returned to us immediately following any such request, cut into two through the chip.
- 10.4 You may be covered by Liability Waiver Insurance, subject to and in accordance with the terms and conditions of the insurance policy from time to time in force. A copy of the terms and conditions of the policy can be viewed at <http://www.lloydsbankcommercial.com/terms-and-conditions/Cash-management/Card-services/>.

- 10.5 When a Card expires or is lost or stolen, or is damaged, we may issue a new Card.
- 10.6 For the avoidance of doubt no Cardholder will be liable to us for anything under this clause 10.
- 11 Disputed Amounts and Chargebacks**
- 11.1 You may only dispute amounts on the Statement that you believe to be incorrect if:
- 11.1.1 the amount shown on the Statement does not reflect the actual face value of the Card Transaction;
- 11.1.2 a Card Transaction shown on the Statement did not result from the use of a Card;
- 11.1.3 the Statement reflects Charges not properly made; or
- 11.1.4 you are not liable for that amount or part of that amount under clause 18.
- 11.2 You must notify us of any dispute about any amount on the Statement without undue delay and in any event within 13 months of the date that any disputed payment was debited from the relevant Cardholder Accounts, the Business Account or the Diversion Account (as applicable).
- 11.3 You must immediately notify us in writing if you suspect that a Card Transaction involves fraud, unauthorised use or any other circumstances where a Supplier may be held liable under the applicable Payment Scheme rules. We will attempt to charge the Card Transaction back to the Supplier under the Payment Scheme rules. This will not relieve you of liability for the Card Transaction unless the chargeback to the Supplier occurs, in which case the amount will be credited to the Business Account or relevant Cardholder Account as applicable.
- 12 Termination**
- 12.1 You may terminate the Agreement at any time for any reason. If you wish to do so, you will need to give one month's notice to us. Such notice needs to be given to us in writing by post, unless otherwise agreed between you and us.
- 12.2 We may terminate the Agreement, demand repayment of the outstanding balance on all or any Cardholder Accounts and/or close any Cardholder Account:
- 12.2.1 at any time for any reason by giving two months' written notice to you (provided that we also give you any other notice that we are required to provide to you by law); and
- 12.2.2 immediately if any of the circumstances set out below has occurred (and we will provide you with such notice (if any) that we are required to provide to you by law):
- 12.2.2.1 you breach the Agreement or any other agreement with us in a serious way;
- 12.2.2.2 you repeatedly breach the Agreement or any other agreement with us;
- 12.2.2.3 we suspect fraud in the opening or operation of the Services;
- 12.2.2.4 you or a Cardholder does anything which we reasonably believe will damage our reputation;
- 12.2.2.5 you or a Cardholder uses, or we reasonably believe that you or a Cardholder is using, the Services improperly;
- 12.2.2.6 you fail to pay any amounts that are due to us under the Agreement;
- 12.2.2.7 you or a Cardholder uses, or we reasonably believe that you or a Cardholder is using, the Services for or in connection with any purpose which is or may be unlawful;
- 12.2.2.8 you or a Cardholder breaches or attempts to breach, or we reasonably believe that you or a Cardholder has breached or is attempting to breach, any applicable law or regulation;
- 12.2.2.9 you or a Cardholder behaves threateningly or abusively towards our staff;
- 12.2.2.10 we are required to do so in order to comply with legal, fiscal or regulatory changes;
- 12.2.2.11 we find that any information which you have given to us (whether in connection with the Agreement or not) is inaccurate;
- 12.2.2.12 we find that you entered into the Agreement with us without informing us in writing beforehand, that material litigation was, or material administrative, criminal or judicial proceedings were, being taken against you ("material" means likely, if successful, to have any damaging effect on you);
- 12.2.2.13 you fail at any time to meet any identification or other checks required by law or regulation;
- 12.2.2.14 we reasonably believe that, if we do not stop providing you with the Services, you will cause us to breach any applicable law or regulation or expose us to action from any government or regulator;
- 12.2.2.15 closure is required by the order of any court or direction or decision of a regulator; or
- 12.2.2.16 you are Insolvent.
- 12.3 If you become aware that any of the circumstances set out in clause 12.2.2 have occurred, or if you believe that they will occur, you must notify us immediately.
- 12.4 On termination of the Agreement, howsoever occurring:
- 12.4.1 all Cards issued to Cardholders at the request of the Business must be returned to us immediately cut into two through the chip, together with repayment of the outstanding balances and any applicable Charges;
- 12.4.2 the Business' obligations under the Agreement will continue in force and the Business will remain liable to us for all Card Transactions and any Charges payable until payment is made of the full amount outstanding (and any outstanding amounts shall become immediately due and payable on termination);
- 12.4.3 the Business will ensure that all Payment Accounts, the Business Account and the Diversion Account will remain open at least until all outstanding Card Transactions have been processed and until all amounts outstanding have been paid to us; and
- 12.4.4 any charges that you have paid to us in advance under the Agreement will be apportioned up to the date of termination of the Agreement and we will refund the relevant amount to you.
- 13 When we can stop the use of a Payment Instrument**
- 13.1 We can stop the use of a Payment Instrument, or refuse to renew, replace or reissue a Payment Instrument, if it is reasonable for us to do so for reasons relating to:
- 13.1.1 the security of the Payment Instrument;
- 13.1.2 any suspected unauthorised or fraudulent use of the Payment Instrument;
- 13.1.3 a significantly increased risk that you will be unable to repay any credit line relating to the Payment Instrument; and/or
- 13.1.4 our legal or regulatory obligations,
- and we will not have any responsibility to you in respect of any loss or damage that you may suffer as a result.
- 13.2 We will inform you as soon as is practicable if we are going to, or if we have, stopped the use of a Payment Instrument and we will advise you of any reasons, unless the law prevents us from doing so or it would undermine our security measures. We will remove the stop on any Payment Instrument or replace it with a new Payment Instrument as soon as is practicable if the reason for stopping it no longer applies.
- 13.3 If you need to discuss the stop on a Payment Instrument with us, you can call us on 0800 096 4496 (if abroad +44 1908 544059) or write to us at Lloyds Bank Card Services, PO BOX 6061, Milton Keynes MK7 8LE.
- 14 Changes to these terms and conditions**
- 14.1 We may make changes to these terms and conditions for any reason. For example, typically (but not exclusively), we may make changes to comply with changes to the law, rectify errors, improve security, change the scope of the services that we provide or take account of reorganisations within Lloyds Banking Group.
- 14.2 If we intend to make changes to these terms and conditions, we will give you at least two months' written notice before the changes come into effect, unless the changes are required due to a change in relevant legislation or regulations and we are prevented from giving you two months' written notice. In those circumstances, we will give you as much written notice as possible.
- 14.3 We will notify you of changes to these terms and conditions by post, by e-mail, through any online service which you receive from us or in any other way which we have agreed with you. In the notice, we may direct you to our Website where the most recent terms and conditions are posted. During the period before a change comes into effect, you may reject the change, provided that you notify us of this in writing. In such circumstances, your notice of rejection of the change will be deemed to be a notice that you wish to stop receiving the Services and the Agreement will terminate immediately. You will not incur any additional charges as a result of choosing this course of action. If you do not notify us before a change comes into effect, we will treat you as if you have accepted the relevant change.
- 14.4 If we add new products or services to the Agreement or add to the ways that you can use the Services (and this does not otherwise change these terms and conditions), this will not be treated as a change and, as a result, we will not be required to give two months' written notice of this to you.
- 14.5 Changes to the Payment Scheme Exchange Rate will take effect immediately on being amended by the Payment Scheme.
- 14.6 If we are making a change to any other exchange rate which applies to you and the change is favourable to you, we may make the change immediately. In any other circumstances, we will provide at least two months' advance written notice to you of changes to exchange rates by post, e-mail, through any online service which you receive from us or in any other way which we have agreed with you (and clause 14.3 will apply).

15 Refunds for incorrectly executed payment instructions

15.1 Where a Card Transaction was either not executed or incorrectly executed, subject to compliance with your obligations under clause 11.2 we will refund to you, if appropriate, the amount of the Card Transaction and restore the relevant Cardholder Account, Business Account or Diversion Account (as applicable) to the state in which it would have been had the defective transaction not taken place. This is provided that the payee's bank or other financial institution can prove to us that they correctly transmitted the payment order to us. The right to a refund will not apply to the extent that it would lead to your unjust enrichment (for example, where no debit was made to the Cardholder Account because the Card Transaction was never executed).

15.2 Beyond the responsibility set out in clause 15.1, we will have no further responsibility to you for a Card Transaction that we have failed to execute or incorrectly executed.

16 Refunds for incorrect payment amounts/sums

16.1 For Card Transactions initiated by a third party as a payee where the exact amount of the payment was not specified when you or a Cardholder gave authorisation for the Card Transaction, we will refund the amount of the payment (and any related interest and charges directly incurred by you) if:

16.1.1 the amount of the payment is more than you could have reasonably expected to pay taking into account the previous spending pattern on the relevant Card, the Agreement and any other circumstances relevant to you, the Cardholder, the Card or the payee; and

16.1.2 you request the refund from us within eight weeks from the date that the amount was debited from the relevant Cardholder Account, the Business Account or the Diversion Account (as applicable).

16.2 You will not be entitled to a refund if you or the relevant Cardholder gave authorisation for the Card Transaction directly to us and the amount of the payment was provided or made available to you or the Cardholder at least four weeks before the due date for payment.

16.3 Before providing a refund to you, we may ask you to provide us with any information that we reasonably require so that we can ensure that you satisfy the requirements for a refund.

16.4 Within 10 Business Days of the later of:

16.4.1 our receipt of your request for a refund; or

16.4.2 our receipt of any information that we ask you to provide,

we will provide you with a refund or inform you why you are not entitled to a refund. If you are not happy with our decision, you can contact your Lloyds Bank Relationship Manager or make a complaint to us. Further details about our complaints procedure are set out in clause 20.

16.5 Beyond the responsibility set out above, we will have no further responsibility to you in respect of a Card Transaction which has been initiated by a payee in the circumstances set out in this clause 16.

17 Refunds for unauthorised transactions

17.1 Subject to clauses 17.2 and 17.3, if a Card Transaction was not authorised by you or the relevant Cardholder (and subject to any responsibility that you may have under clause 18), we will refund the amount of the Card Transaction and, where applicable, restore the relevant Cardholder Account, the Business Account or the Diversion Account (as applicable) to the state in which it would have been had the unauthorised transaction not taken place, provided that you notify us without undue delay on you or a Cardholder becoming aware of the unauthorised transaction, and in any event within 13 months of the date that the payment was debited from the relevant Cardholder Account, the Business Account or the Diversion Account (as applicable). You can find details of how to contact us in clause 10.1.

17.2 In some circumstances, we may investigate whether you are entitled to a refund before providing a refund and we may ask you to provide us with any information that we reasonably require as part of such investigation. In other circumstances, we may provide a refund and subsequently investigate. If, through our subsequent investigations, we discover that you were not entitled to a refund, we may debit the refunded amount from the relevant Cardholder Account, the Business Account or the Diversion Account (as applicable). We will give you reasonable notice in advance of doing so.

17.3 When we are assessing whether a Card Transaction was authorised by you:

17.3.1 if you are not a Micro-Enterprise or a Charity, you agree that Regulation 60 of the Payment Services Regulations does not apply to you, therefore it is your responsibility to prove that a payment was not authorised by you or the relevant Cardholder and we can treat the use of any Payment Instrument as sufficient evidence to show that the payment was authorised by you or the Cardholder or that you acted fraudulently or with intent or gross negligence failed to take any of the actions set out in clauses 18.1.3 or 18.1.4; and

17.3.2 if you are a Micro-Enterprise or a Charity, we cannot necessarily treat the use of any Payment Instrument as sufficient evidence of the above, although this is one of the factors that we will take into consideration.

17.4 Beyond the responsibility set out above, we will have no further responsibility to you for unauthorised transactions.

18 Your responsibility for unauthorised transactions**Your responsibility if you are a Micro-Enterprise or a Charity**

18.1 You will be responsible for any losses incurred in respect of an unauthorised transaction arising from:

18.1.1 the use of a lost or stolen Payment Instrument; or

18.1.2 the misappropriation of a Payment Instrument due to you failing to keep the personalised security features of the Payment Instrument safe,

up to a limit of £50 per instance of loss, theft or misappropriation, unless you have acted fraudulently or you have intentionally or with gross negligence failed to:

18.1.3 take all reasonable steps to keep the personalised security features of the Payment Instrument safe;

18.1.4 use the Payment Instrument in accordance with the Agreement; or

18.1.5 notify us in the agreed manner and without undue delay on becoming aware of the loss, theft, misappropriation or unauthorised use of the Payment Instrument,

in which case your responsibility for losses will be unlimited.

18.2 Unless you have acted fraudulently, you will not be responsible for any losses arising:

18.2.1 after you have notified us in the agreed manner of the loss, theft, misappropriation or unauthorised use of the Payment Instrument; or

18.2.2 if we fail to provide the means for you to notify us of the loss, theft, misappropriation or unauthorised use of the Payment Instrument (unless clause 23 applies to us)

Your responsibility if you are not a Micro-Enterprise or a Charity

18.3 You will be responsible for any losses incurred in respect of an unauthorised transaction arising from:

18.3.1 the use of a lost or stolen Payment Instrument; or

18.3.2 the misappropriation of a Payment Instrument due to you failing to keep the personalised security features of the Payment Instrument safe.

18.4 You agree that Regulation 62 of the Payment Services Regulations does not apply to you therefore your responsibility for losses will be unlimited.

18.5 Unless you have acted fraudulently, you will not be responsible for any losses arising:

18.5.1 after you have notified us in the agreed manner of the loss, theft, misappropriation or unauthorised use of the Payment Instrument; or

18.5.2 if we fail to provide the means for you to notify us of the loss, theft or misappropriation or unauthorised use of the Payment Instrument (unless clause 23 applies to us).
