## Important information about Unity Foreign Services

- All foreign payments and transactions are undertaken for us by third party agents, and the type of foreign service will determine which agent we use. The fee shown includes their charge for providing the service in addition to our charge for processing your request. This fee will be debited to your account as a separate item.
- Your account with Unity will be debited with the sterling equivalent of your foreign transfer, together with any associated fees, on the day we process your request.
- From time to time there may be additional charges made by foreign banks, relating to foreign payments, over which we have no control. These may be passed onto you when advised to us. We will notify you of the charges before we debit your account.

We may charge for services which aren't set out in our Standard Service Tariff but we'll always tell you how much they'll be and check you're happy to pay them before we provide the service.
